

## JMP 7 Renewal Instructions for Mac

1) When “JMP: Renew Your JMP License” window is prompted, open your web browser and go to the following site. Click on “Licenses” located on the right side of the screen. <http://sas.ncsu.edu/products/index.php>

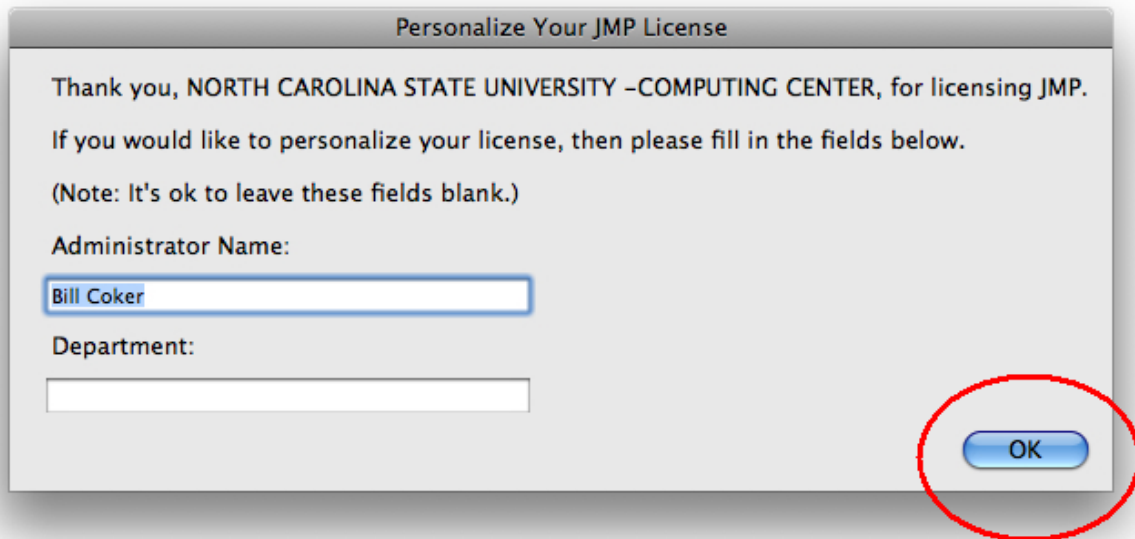

2) After filling out the required information at the top of the page choose JMP 7 for Mac and then submit. Download and save the new license by clicking link "JMP 7.0.x for Mac". Keep track of where it is being saved to as you will need to browse to it in the next step.

3) Click "Open License" in the “Your JMP License Has Expired” Window. Browse to the new license (jmp7\_30####.txt) with the JMP update wizard and click choose.

4) You will be presented with the "JMP: Personalize Your JMP License" window. If you would like, you can enter your name and department. Otherwise, you can click OK.
